## **Reorganization of the capital structure of the family-owned Guillemot Group**

The family-owned Guillemot Group, a shareholder of Guillemot Corporation SA, has decided to restructure its direct and indirect ownership of the company's capital. This results in the upward or downward crossing of significant shareholding thresholds by members of the group of shareholders.

This restructure has no impact on the control of Guillemot Corporation SA: the total number of shares held by the group of shareholders remains unchanged and the change in the total number of corresponding voting rights is not material.
