Draft text of resolutions

Within the remit of the ordinary general meeting:

FIRST RESOLUTION

(Approval of December 31, 2018 year-end financial statements)

The general meeting, ruling in accordance with the conditions of quorum and majority required for ordinary general meetings, having been made aware of the Board of Directors' management report and of the Independent Auditors' report on the annual accounts, approves the December 31, 2018 year-end financial statements, as presented, as well as the transactions figuring in these statements or summarized in these reports.

SECOND RESOLUTION

(December 31, 2018 year-end net income appropriation)

The general meeting, ruling in accordance with the conditions of quorum and majority required for ordinary general meetings, decides to appropriate the December 31, 2018 year-end profit amounting to €5,841,595.85 as follows:

- allocation to the legal reserve: €292,079.79,
- allocation to the other reserves: €3,562,143.66,
- distribution of dividends: €1,987,372.40.

The dividend is set at €0.13 per share entitled to this dividend. It will be paid on July 10, 2019.

The general meeting decides that the amount of the dividend corresponding to the shares held by the company on the ex-dividend date will be allocated to the "retained earnings" account.

The general meeting acknowledges that for shareholders who are natural persons domiciled in France for tax purposes, the dividends received are subject, pursuant to Article 200 A, 1 A 1° of the General Tax Code, to a single flat-rate levy of 12.8%, or, on the overall option of the shareholder, this income can be taxed at the progressive income tax scale. In the latter case, the dividends are eligible for the 40% tax allowance mentioned in Articles 158 3 2° of the General Tax Code. In both cases, when the dividends are paid, they are subject to a non-definitive withholding tax deduction of 12.8%, as an advance payment of income tax, deductible from the tax definitively due.

However, in accordance with the third paragraph of Article 117 quater of the General Tax Code, natural persons belonging to a tax household whose reference tax income is less than €50,000 euros for single, divorced or widowed taxpayers or €75,000 for taxpayers subject to a common taxation, may ask to be exempted from this withholding tax of 12.8% under the conditions provided for in Article 242 quater of the General Tax Code.

In addition, for shareholders who are natural persons domiciled in France for tax purposes, social contributions are applied in all cases, on the amounts of dividends paid, up to 17.2%.

The meeting takes cognizance of the fact that no dividends have been distributed over the course of the past three fiscal years.
